Towers
Watson**

STARTUPS

Spotr.ai **Insiber**

Join the Verbond van Verzekeraars and Plug and Play Netherlands at our Soft Launch for the **InsurTech Open Innovation Program**.

The Soft Launch is all about bringing together the local ecosystem to share and listen to trends & insights and to be inspired by innovative ideas.

Join us to learn and explore potential topics for engagement within the program, hear from inspiring keynote speakers on cross-industry challenges and collaboration opportunities, and be inspired by startups in the InsurTech field and beyond.
