

This is what the Dutch Association of Insurers has to offer

The Dutch Association of Insurers is the **association for non-life and life insurers**. As the advocate for all our members, we respond to societal changes and **connect our industry** to the Dutch society.

With an account you have access to exclusive information and helpful tools.

YES I want an account!

Don't miss out on these benefits

Data Analytics Center: Get access to exclusive data

Dashboards (traffic, barn and company fires), risk statistics, portfolio movements and other key figures.

Stay informed with our newsletters

Read more about the outcomes we achieve as advocates, and changes in legislation. Stay updated on all our projects and activities.

Keep developing yourself

Attend webinars, lectures and courses. Or join events focused on specific topics. We have programs for everyone. For starters as well as executives and directors.

Make use of helpful tools

Such as the Weather Calendar, the Ethical Framework, ESG standards, the toolkit Direct claim handling and a variety of prevention brochures.
